

# 6 X 6" Quick Cards Template

## Tips:

1. Choose a sheet of designer paper 6 X 6" in size and cut using the template below.
2. Be sure you have ribbons or embellishments to match the paper.
3. Choose 3 coordinating card bases and cut to 5 1/2" X 8 1/2".
4. Pick layering colors of card stock and cut using the measurements for each card.
5. Add greetings and embellishments using die-cuts or punches. Finish with embellishments.

## 3 cards from one 6 X 6" sheet

Measurements:

Card stock is 3 3/8" X 4 1/4" and then cut it in half on the diagonal. It should fit your designer paper diagonal pieces nicely.

Adhere to the card as shown and stamp your greeting between the two layered pieces. Add embellishments as desired.
