Directions:

1. Stamp the greeting in Black ink onto the left edge of the Pool Party card stock strip. Add a few stitched 'buzz' lines in Pool Party ink.
2. Adhere the upper and lower designer paper layers so the outer edges are even. Add the stamped Pool Party card stock between them.
3. Ink the bee body image in Daffodil Delight ink and stamp on a scrap of White card stock. Add the black strips. Punch out.
4. Stamp the antenna in Black ink. Use the small heart on the punch to punch this out. Add behind the upper part of the bee.
5. Stamp the wings in either black or Pool Party ink onto Pool Party card stock. Punch out. Curl a bit and add behind the top of the bee. Add a bit of Wink of Stella to the wings.
6. Adhere the bee with Dimensionals.
