Measurements:

- Gray Granite 10 1/2" X 4 1/4" score at 5 1/2", 6 3/4", 8", 9 1/4", 3 1/4" square for front
- Poppy Parade 6" X 3 1/2" score at 3 1/2" & 4 3/4"
- Trusty Toolbox DSP 4" square & two yellow ruler pieces 1" X 4"
- White back 4 3/4" X 3 1/2" plus scraps for greeting & measuring tape die-cuts
- Silver foil scrap for wrench

Video link: <https://youtu.be/d4p2PgWuTpl>

Directions:

1. Fold the card base on the score lines and adhere the last fold to form a box. Add the DSP square to the right side.
2. Add the two DSP strips to the front and outer left fold.
3. Fold the Poppy Parade layer on the score lines. Add the large, un-scored end to the front DSP panel, centering it. Lay this piece and flatten the box to elongate it. Add adhesive to the upper scored flap and with the card laying flat adhere that flap. Open the card and fold it flat the other direction. It should now open to form two boxes.
4. Add the textured Gray Granite layer to the front of the Poppy Parade layer.
5. Ink the greeting in Gray Granite ink and stamp on the White die-cut. Adhere to the card front with Dimensionals.
6. Ink the measuring tape outline image in Gray Granite ink; stamp on a scrap of White cardstock. Use the matching stamp & Poppy Parade ink stamp. Color the rest with Gray Granite & Crushed Curry markers.
7. Die-cut a wrench from Silver foil paper. Add this and the measuring tape with mini Stampin' Dimensionals.
8. Finish with a few Matte gems.
9. Stamp the White back as shown.
